Commissioner for Patents

In response to the IDS filed 6/19/07, a review of the record indicates that as noted by applicants, a copy of a foreign search report was filed along with the IDS on 6/23/03. However, no indication of the relevancy of document AG is found in the search report. It is noted that the search report refers to JP 11-213405 and Korean 1999-41530 only. Nevertheless, an english abstract of the noted AG document is also attached to these papers. Hence, this document has been reviewed and is now made of record. Attached is a copy of the IDS submitted 6/19/07.
